

HOME HEALTH CARE FOR ADULTS

**Smarter care.
Simplified.**

THE SAMARITAN ADVANTAGE

**Connected care.
Amazing results.**

**We'll take it
from here.**

Wondering where to start?

Getting the care you need shouldn't be complicated or confusing.

Our seamless healthcare experience removes the hassle so you can focus your energies on what matters most: getting back to better.

A speedy recovery without all the guesswork.
That's the **Samaritan Advantage.**

Home Health + Home Care = Total Wellness

The Samaritan Advantage is a person-centered approach to total wellness built upon nearly two decades of insights gleaned from being a leading provider of personalized care services.

Our history of empowering people to maintain a superior quality of life has allowed us to understand care on a deeper level, going beyond the traditional model of stand-alone services to reimagine care as a unified process.

- | | | |
|---|--|--|
|  Chronic disease management; illness or surgery recovery |  Therapies for stroke and surgical recovery |  Balance and gait improvement |
|  Help with swallowing difficulties and speech/communication |  Diabetic and post-surgery wound care |  Bathing, dressing, and personal grooming |
|  Nutritional planning and meal preparation |  Continued IV treatment at home |  Medication supervision and management |
|  24-hour access to professional nursing care services |  Linking you to services to best support your health status |  Home management assistance* (laundry, cleaning, transportation)
*Home Care only |

A WELL-ROUNDED APPROACH TO RECOVERY

Our person-centered approach to care means treating more than just a health condition or injury. We believe a truly successful recovery comes from the perfect blend of healthcare and supportive care services to give you the edge you need to get—and stay—healthy.

A seamless healthcare experience

From home health to home care and everything in-between, think of us as your one-stop shop for supportive care services in the comfort of your home.

- + Our professional nurses become your advocate, taking the time to understand your needs and adapt accordingly
- + We consult with your physician and arrange all care and support services—including nursing care—in your home
- + We provide chronic condition support to help you avoid a higher level of care
- + Professional care services tailored to support your personal activities of daily living
- + We remove the mystery of cost and how to pay

Your partner in all things care.

We've got you covered

Our connected approach to care allows us to seamlessly arrange nursing, in-home support, and ongoing communication with your doctor.

Sound easy? It should! Call today and discover the Samaritan Advantage.
