

IN-HOME HEALTH SERVICES FOR ADULTS

# Home Health. Simplified.

## Got questions? We've got answers.

Getting the care you need shouldn't be complicated or confusing.

Let our experienced home health team remove the hassle so you can focus your energy on what matters most: getting back to better.

- + How do I get a physician order?
- + When will Samaritan Home Health start?
- + How long can Samaritan Home Health provide assistance?
- + How often will clinicians visit?
- + Do I have to pay for home health services?
- + What if I need extra help?
- + What other services can Samaritan offer?

**Call us today and let us take it from here.**  
**(209) 252-0171**

## Your partner in all things care.

### We've got you covered

Our connected approach allows us to seamlessly arrange nursing, therapy, and home health aide services, all while coordinating with your doctor.

Sound easy? It should! Call us today and discover the Samaritan Advantage.

Call **(209) 252-0171** today to get started.

SHH does not discriminate, exclude, or treat people less favorably based on race, color, religion, national origin, age, disability, or sex.

**Samaritan**  
HOME HEALTH

**(209) 252-0171**

Hassle-free, person-centered care  
from a name you can **trust**.

7700 Fox Road, Suite A, Hughson, CA 95326  
[www.SamaritanHomeHealth.com](http://www.SamaritanHomeHealth.com)

A speedy recovery without all the guesswork.  
That's the **Samaritan Advantage**.

THE SAMARITAN ADVANTAGE

Connected care.  
Amazing results.

### A well-rounded approach to recovery

Our person-centered approach to home healthcare means treating more than just a health condition or injury.

We believe a truly successful recovery comes from the perfect blend of healthcare and support services to give you the edge you need to get—and stay—healthy.

## Healthcare + At Home = Home Health

### SKILLED NURSING

Our Skilled Nursing Team provide expert, one-on-one medical care in the comfort of your home. Whether you require short-term recovery support or long-term management of a chronic condition, our Registered and Licensed Vocational Nurses deliver compassionate and skilled care tailored to your unique needs. Expert Nursing Care in the comfort of your home!

### PHYSICAL THERAPY

Our Physical Therapy Team can help you recover from injury, surgery, or assist in managing chronic conditions. Our licensed Physical Therapists create personalized treatment plans designed to improve mobility, strength, and balance to reduce the risk of falling and enhancing overall well-being. Let us help you move better, feel stronger, and live more confidently at home!

### OCCUPATIONAL THERAPY

Our Occupational Therapy Team can help you restore daily living skills and regain independence. Whether you are recovering from an illness, injury, or managing a chronic condition, our licensed Occupational Therapists provide personalized, one-on-one care to improve mobility, strength, and the ability to perform essential tasks like dressing, bathing, and cooking. Stay independent, safe, and live more confidently at home!

### SPEECH THERAPY

Our Speech Therapy Team can help you improve communication, cognitive function, and swallowing abilities. Whether recovering from a stroke, illness, or managing a neurological condition, our licensed Speech-Language Pathologists provide personalized, one-on-one therapy to enhance speech, language, and swallowing function for a better quality of life. Helping you speak, swallow, and live with confidence!

### HOME HEALTH AIDE

Our Home Health Aides provide essential support for those who need assistance with activities of daily living (ADLs). Our trained and certified Home Health Aides provide hands-on personal care to help you to remain safe, comfortable, and independent at home. Providing comfort, dignity, and support at home!

### MEDICAL SOCIAL WORK

Our Medical Social Workers provide essential emotional, social, and practical support to help you navigate healthcare challenges. Whether you need help accessing community resources, coping with a medical diagnosis, or planning for long-term care, our medical social workers are here to guide and support you. Helping you navigate your healthcare condition by providing resources for support!
